## INTRODUCTION

**D**auno Global is once again organizing a Nigeria Italy Agricultural Trade Promotion Business programme involving the Nigerian and Italian Business Communities following the successful Forums held in 2010, 2015 and 2017.

## OBJECTIVES OF THE FORUM

- ✦ To provide a veritable platform for showcasing exportable Nigerian products to the Italian community and other global investors.
- ✦ To strengthen current multi-agency efforts aimed at improving foreign direct Investment, thereby achieving the policy of the current Nigerian Government for economic development & diversification.
- ✦ To strengthen the existing bilateral economic relations between the two countries as well as create a platform for business and investment networking, match-making, and joint venture partnerships between Nigerian and Italian businessmen.

## MULTI-TRACK VISIT

To ensure Maximum immersion and value to delegates, the participant will be required to identify and chose a track to follow in terms of the programme content to ensure that they are fulfilled. These choice will be reflected in the registration forms.
